

Let's Sing! Singing Instruction

Wednesday | 11:00 AM - 11:50 AM | Via Zoom and/or in-person

Instructor: David Macaluso

Singing has been essential to the fabric of human societies since the beginning. From lullaby's to learning our ABC's to singing to celebrating unions, accomplishments, and times of year- vocalizing has meaning to each of us.

In this interactive class, students will have the opportunity to learn all aspects of singing from harmony, melody, pitch and tempo along with analyzing the role that singing plays in their lives, both personally and interpersonally.

Along with studying the psychology of singing, students will put into practice proper singing techniques from matching pitch and harmonizing, to posture, proper breathing, focus, and intention.
