EXPLORING BROADWAY: The Great Teams of Broadway with David Macaluso

Wednesdays 2-2:50pm via Zoom or In-Person

Held in Hauppauge and/or via Zoom, this interactive class is a must for those that love all things Broadway! From Pasek & Paul's *The Greatest Showman* and *Dear Evan Hansen* to the Sherman Brothers who brought us so many of our Disney favorites to the classic Rodgers & Hammerstein musicals, the class will work together to analyze the results of these partnerships. Students will learn the history of how teamwork and collaboration has often been essential to a show's survival and success. The instructor will also guide students to act out some of these great partnership moments. Drama Desk-nominated thespian David Macaluso has performed Off-Broadway and around the world. David has also directed, choreographed, and produced, and loves every minute that he can bring the performing arts to our learning community!
