# **SPORTS HISTORY: Focus on College Athletes**

**with Jason Baron, M.S.**

In this interactive class, instructor Jason Baron will lead the group in examining some of our nation's big-time college sports programs which have helped launch some of America's most well-known professional athletic careers. The class will look at how college sports help shape future leaders both on and off the athletic field while maintaining the importance of teamwork, good sportsmanship, and passion. Students are encouraged to share their sports knowledge and love for the game with fellow classmates!
