

Above and Beyond Community Classes, Inc. Presents:

INNERFORCE:

EMERGENCY SITUATIONS AND PERSONAL SAFETY

**with Sifu Andrew and Officer and First
Responder B. Simpson**

Thursdays 5-5:50pm via Zoom or In-Person

Would you like to better understand how to protect and advocate for yourself in difficult and sometimes scary situations? Our Self Defense instructor, Sifu Andrew Hall, will be joined by Officer and First Responder B. Simpson as they combine their unique backgrounds to empower students to explore "what would you do" in situations that might require interaction with law enforcement, first responders and crisis situations involving themselves and/or others. Students can expect to learn both verbal and light physical techniques to feel more confident and prepared for stressful situations. Please know that the Karate/Martial Arts component remains and students continue to have the option to achieve belt levels. This class will be taught via Zoom only.

**\$360.00 for 8 Thursdays 5-5:50pm - 7/7, 7/14, 7/21, 7/28, 8/4,
8/11, 8/18, 8/25**
