**Take a class...Join a Community**

Keeping track of our money and learning the ins and outs of personal finance is part of our every day. With a background in banking and teaching, Gina's finance class has quite the following! This Winter and Spring, you can have the opportunity to enhance your knowledge of sound money management with this ongoing class. New topics and aspects of managing our money will be taught weekly. This interactive class will be held via Zoom and in person at our Hauppauge, NY location.
