

**Above and Beyond Community Classes, Inc. Presents:**

# **ANIMALS AND NATURE: RESCUING, FOSTERING, & ADOPTING**

**with Sheryl Brook of Hoyt Farm**

This interactive class will be offered via Zoom and in person at our location in Hauppauge. Instructor Sheryl Brook will be teaching the ins and outs of fostering and rescuing an animal—sometimes very unexpectedly. Rescue work for animal welfare has historical roots in the early days of child welfare and has spread into a network of rescue around the world. Sheryl will identify ways we can all be supportive of animals in need and what to do if we find various animals requiring emergency care. Sheryl's classes are a favorite of students as she has a true passion for making a difference in both the lives of animals and people. We look forward to seeing you in class!

**\$360.00 for 8 Thursdays 4-4:50pm - 7/7, 7/14, 7/21, 7/28,
