Performing Arts: Acting and Scene Creation

with David Macaluso

This highly interactive Acting and Performing Arts-based class is an examination of theatrical performance by way of reading and/or acting out scripted lines. We will learn techniques for using natural breath, accessing emotions, and a groundwork will be laid for physical and vocal presence. We will develop confidence, emotional expressivity and how to "stick to the script"—a great life lesson! We will create some text from self-scripted storytelling and learn how to communicate constructively by directing each other. See you on Zoom or in person at 35 West for this well-loved class!

\$360.00 for 8 Sessions:

7/6, 7/13, 7/20, 7/27, 8/3, 8/10, 8/17, 8/24
