EXPLORING BROADWAY: ROCK N' ROLL MUSICALS

with David Macaluso

Wednesdays 1-1:50pm via Zoom or In-Person

Join instructor David Macaluso for this interactive class via Zoom or in person at our location in Hauppauge, NY as we study the influence and inspiration of Rock 'n Roll for Broadway Shows and Musicals. Arrangements, intensity, and trends have a huge impact on our experience as an audience. Students will learn the historical significance of Rock n' Roll becoming commonplace on Broadway. Together, we will "let the sunshine in" and explore how Pop and Rock music have collided with the Musical Theatre genre, creating classics and juke box musicals like Hair, Rent, J.C. Superstar, The Who's Tommy, Mamma Mia!, Grease, and more... "Ohhh those summer nights!" Drama Desk-nominated thespian David Macaluso has performed Off-Broadway and around the world. David has also directed, choreographed, and produced, and loves every minute that he can bring the performing arts to our learning community!
