Podcasting with Pete

with Peter Williams

Get comfortable with recording and interviewing guests, instructors, and friends within the BUE community. Every student will have the opportunity to increase their ability to communicate and connect with others as they practice the skill of interviewing. Students will work on telling "both sides" of the story and remaining neutral in opinion and response. Students will also receive instruction on the behind-the-scenes creativity necessary to create the podcast. This interactive class is a long-time favorite that you won't want to miss!

\$360.00 for 8 Sessions:

7/11, 7/18, 7/25, 8/1, 8/8, 8/15, 8/22, 8/29
