**Do you relate more to the Dark Side or would you choose to fight against the Imperial Army? Star Wars captured the hearts of their fans in the 1970's by being one of the first movie series to use special effects in their unique artistry.**

**In this interactive class, via Zoom or in person, students will learn the background knowledge of how the iconic scenes came to life, common themes found throughout the storyline, the character development of Darth Vader, Anakin Skywalker, Rey and so much more. Instructor Gabby will assist students to critically analyze the creation and impact of these movies and characters as the class determines how Star Wars became so successful and has continued to thrive over the past forty years!**
