

ABOVE AND BEYOND COMMUNITY CLASSES PRESENTS...

with **ERIN VLASAK, M.S.**

class description: This live Zoom class will continue to build upon the Spanish vocabulary and basic greetings so sentences can begin to be formed in Spanish as well as building a robust dialogue in the Spanish language! We will practice reading Spanish aloud with one another, role playing basic conversations in Spanish then gradually making them more complex, listening to videos and tutorials from Spanish speaking people to learn further how to pronounce the words and alphabet correctly, and so much more. Learn and appreciate the Spanish language in this enjoyable and highly interactive class!
