How did a sketch of a mouse grow into a beloved globally recognized character that led to creating “magical kingdoms” around the world? From vision to conception, join this interactive class as we watch, listen, read and assess the evolution of Walt Disney’s creativity into four World Class themed parks, EPCOT, Hollywood Studios, Animal Kingdom, etc. Students will have an opportunity to compare and contrast Disney destinations in California, Florida, Paris, Tokyo, Hong Kong, and Shanghai while learning about the business models of each.
