MUSIC APPRECIATION: A Focus on Boy Bands

with Jason Baron, M.S.

In this interactive class, instructor Jason Baron will take the class down memory lane to the late 19th century when the first boy bands (barbershop quartets) got their notoriety and will examine the journey of boy bands well into the 21st Century with well known acts such as Jonas Brothers, One Direction, BTS and more! Students will have an opportunity to share their similar musical interests and see how boy bands changed the musical fabric of society.
