

ABOVE AND BEYOND COMMUNITY CLASSES, INC. PRESENTS:

HISTORY OF WALT DISNEY: Study of Voices & Actors with Jason Baron, M.S.

Mondays 5-5:50pm via Zoom or In-Person

This interactive student favorite history class continues! Join Instructor Jason Baron to study the voices and the actors behind the scenes of Disney. Voice technique, tone, animation and movement all connect...but how? By exploring the personal journeys, education and dedication of Disney actors, this class will learn what it takes to bring a character to life. Through film clips, recordings, articles and a live discussion with a voice over actor, students will increase their historical and cultural understanding of Disney. Students love that this class encourages fans and history buffs of Disney to come together as we explore various aspects of the Walt Disney legacy which dates back nearly 100 years.
