EXPLORING BROADWAY: The Classics

with David Macaluso

This interactive class will not only study the early classical musicals and variety shows of Broadway but we will also discuss the early history of Broadway...and how the classics led to Broadway as a cultural phenomenon. Students will then learn about various Classic shows through the decades and how the hit shows usually were reflective of the current times. Join our beloved instructor, actor and producer David Macaluso for this opportunity to step back in time....Broadway style!
