

ABOVE AND BEYOND COMMUNITY CLASSES, INC. PRESENTS:

HISTORY OF GAMES, HOBBIES, AND COLLECTIBLES

Research and Discovery

with Erin Vlasak

Tuesdays 2-2:50pm via Zoom or In-Person

This popular interactive class will teach students how to use technology and relevant websites to research class topics such as the history of the arcade and video games, "odd" competitions held around the world, the history of the American Carnival, the Guinness Book of World Records and to answer class questions that show how Games, Hobbies and Collectibles have contributed to human social history, i.e. was hot potato a real game? Students will also be taught how to use EBay to assess the value of collectibles and YouTube for learning new hobbies and interests. Join instructor Erin Vlasak via Zoom or in-person in Hauppauge to explore such questions as: How much did a virtual reality device cost in 1980? (Answer- \$49,000!) What position did the creator of the Game Boy have at Nintendo? (Answer- a Janitor!)

7 Tuesdays for \$315.00

1/3, 1/10, 1/17, 1/24, 1/31, 2/7, 2/14, (Off 2/21)
