

Music Appreciation: Focus on Female Artists

Tuesday | 3:00 PM - 3:50 PM | Via Zoom and/or in-person

Instructor: Brittany Ennover and Jason Baron

In this class, we will explore the groundbreaking contributions of female artists across all music genres, from Dolly Parton in country to Gladys Knight in R&B, Stevie Nicks in rock, and today's pop icons.

Through interactive sessions, we will analyze how these influential women have shaped and transformed their genres, and what made them stand out in the music industry. We'll dive into their lyrics, musical instruments, and vocal skills, uncovering the storytelling techniques they use to convey powerful messages about love, heartbreak, resilience, and personal growth.

Students will also enhance their musical research, presentation capabilities, and interpersonal communication skills while engaging with the captivating narratives these iconic artists share through their music.
