HISTORY OF LI AND BEYOND: Focus on NYC

with Jason Baron, M.S.

Join this class to find out why New York City is the most populous city in the United States and arguably the greatest city! Often defined as the cultural, financial, media, and entertainment capital of the world, Manhattan is the host of many iconic landmarks such as the United Nations Headquarters, Wall Street, Central Park, Broadway, and many more. From the beginning of the Dutch rule to the modern day metropolis, students will develop a fond appreciation for what many call The Big Apple.
