

**ABOVE AND BEYOND COMMUNITY CLASSES, INC. PRESENTS:**

# **INSPIRATIONAL BIOGRAPHIES & DOCUMENTARIES**

**with Helene Schorr, M.S.**

**Mondays 3-3:50pm via Zoom and In-Person**

Join us via Zoom and in person on Mondays from 3-3:50pm for this interactive opportunity to study and find inspiration in people's stories via word and film. What are the elements of a "good story"? What needs to happen to draw an audience in? This class will look at the evolution of showcasing people's stories over time from the beginning of publishing to social media's influence on storytelling. Students will be guided to think about their own life stories and how their stories can be an inspiration for others. Instructor Helene Schorr, M.S. draws upon her 20 years of teaching experience along with her previous training and background working as an Instructor of Humanities at a local college. Helene also brings her personal love and study of inspiring and heart-warming stories to class.
