

ABOVE AND BEYOND COMMUNITY CLASSES, INC. PRESENTS:

LITERATURE AND WRITING

with Kadin Napoli

Mondays 6-6:50pm via Zoom Only

This class will allow seasoned and beginner authors to come together, share their work with peers, and hear feedback from all of their fellow writers in class! We will discuss different forms of writing, including fanfiction, screenplays, and comic; how to stay motivated to continue a story; how to edit; and how to publish your work online safely. This interactive and collaborative class will also allow students to bring ideas to the table for feedback on how to continue, and we will discuss what inspires us- from our favorite novels, to our favorite movies, to even our favorite video games! Instructor Kadin Napoli is a seasoned writer in many different forms, and grew up reading, writing, and publishing fanfiction online.

7 Mondays for \$315.00
