**Wed's- 11/1, 11/8, 11/15, 11/29, 12/6, 12/13, 12/20**

**This popular class continues! Tabletop gaming is a cultural phenomenon that has the ability to bring people together that may not typically connect. In this limited enrollment class, we explore why that is. What is the draw to character building? How can different methods of tabletop gaming assist us in our everyday communications and relationships? Each hour and a half session of this live Zoom class will focus on communication and the role narrative plays in story building through the world of D&D.**

**To register, email: [chawkins@buexperience.org](mailto:chawkins@buexperience.org)**
