

Above and Beyond Community Classes, Inc. Presents:  
**Sports History: Sports around the World**

**Mondays** With Jason Baron, M.S.  
**6-6:50pm**

**Via Zoom or  
In Person**

In this interactive class, students will take virtual trips around the world to discover some of the lesser known sports that are played in various countries. From sumo wrestling in Japan to cricket in India. . . see how sports can bring cultures together and help bridge differences between people. Instructor Jason Baron has over 15 years of experience teaching and is an avid sports fan who loves instructing this class.
